PEACEFUL BREAKS RECORD AT DELMAR.

He Lowers Time for Six Furlongs, Defeating Monograph and Tom Collins.

MEDDLESOME RUNS GOOD RACE

Equals Track Record for One Mile -Ida Ledford Displays Great Gameness-Benham Was Poorly Ridden.

Excitement characterized the sport at Delmar yesterday, spirited racing between some of the best horses at the track being combined with an ineffective attempt to arrest the bookmakers and management of the course by a posse of Constables.

The sport of the day was noteworthy for defeat of the Fizer entry by Medilesome in the fifth race, and for the easy win of Peaceful in the fourth, who clipped a full second off the track record at six furlongs, running the distance in 1:13%, and easily defeating Monograph, the hottest

The race was one of the best on the card, The race was one of the best on the card, both as a contest and as a betting proposition. Every horse in the race had support, Monegraph being played heavily, although at odds of 3 to 5 in the berting. He was regarded as a good thing, even at that price, and his odds were cut a trifle at post time. Tom Collins was the subject of heavy play, and Peaceful was backed by a large following. Judge Pettus was played as a good thing by a certain crowd, and even Dandy Jim did not fail of support.

Judge Pettus Shows Early Speed.

The race proved that Judge Pettus possesses speed of a high order in the early stages of a race, his burst of speed from the drop of the flag even making Tom Collins look cheap. Rounding the first turn it appeared as if Judge Pettus was going to win, although Monograph raced into second position on the run to the stretch turn and rounded the turn for home about three lengths behind.

Had Monograph been kept closer up carlier in the race he would have given Peaceful a very warm argument, at least. He did not make his run until late, and beforshe got fairly going the field was close to home, and Peaceful came up with a rattle on the inside, passing Monograph, and winning easily. Monograph was gathering speed under a drive, and would have been much closer has the race been a few yards further.

much closer has the race been a few yards further.

The defeat of the Fizer entry in the fifth race was a hard blow to the followers of her stable, who backed the entry, Menace and Ida Ledford, heavily. When Ida Ledford came to the post, however, it was seen that she would not do, the mare being so stiff that she was unwilling to break, and had to be gailoped past the stand to loosen her up after the first breakmay.

Meddlesome fairly spread-eagled his field in the early stages, getting a lead of eight lengths at the quarter and keeping this advantage under restraint until the head of the stretch.

the stretch.

Meddlesome Equals Track Record.

In spite of the distance and restraint, Meddlesome ran as if he were in a five-furiong dash, the time for the various fractions of the race being almost equal with the track records, while the time for the first mile was just equal to the record—14th, At no stage of the race was he in the slightest trouble.

Ida Ledford gave an exhibition of gameness which was as admirable as Meddlesome's performance. Running somewhat stiffly behind her field for the first half, she got into her speed at the three-quarters and made up a lot of ground coming around the turn for home. She passed her stable companion easily and started after the flying leader as he straightened out for home.

Running under the whip, she made up nearly all of Meddlesome's lead in the last furlong and a half and finished only a length behind him. Many believed that had she been in good condition she would have won the race, although Bratton's geiding had something in reserve when he finished. When the two meet at a distance again ida will find many supporters, although Maddlesome seems to hold her safe at a shorter distance.

Taby Tosa an Easy Winner.

Taby Tosa, the good gray geiding, by Le Premier-Grey Bess, whose merit has been commented on in these columns, and who was picked by The Republic to win, easily defeated his field at five and a half furlongs, the favorite, Crimean, not finishing in the money. Hunter Raine finished second, but Taby Tosa proved his merit by winning in the easiest kind of fashion, although he was being ridden at the finish. Dieudonne, also picked by The Republic to win, easily defeated his field at five and a half furlongs, the favorite, Crimean, not finishing in the money. Hunter Raine finished second, but Taby Tosa proved his merit by winning in the easiest kind of fashion, although he was being ridden at the finish. TO-DAY'S CARD AT DELMAR.

La Spara Should Defeat Swordsman-Mada Bell Should Win First Event. Mada Bell Should Win First Event.

Mada Bell and Colonel Stone will come together at Delmar to-day in the opening race, a six furlong affair for 2-year-olds, and the contest seems to lie between them. Mada Bell won in impressive style Tuesday, when she carried 167 pounds to the Colonel's St. and the contest should end the same way to-day, although Stone ran a good race Tuesday after getting off badly. To-day he has eight pounds off, while Mada Bell picks up a pound, but it looks as if the filly can beat him at that. Lee Nutter should be third.

up a pound, but it looks as if the filly can beat him at that. Lee Nutter should be third.

In the second event, a five-furlong dash for 2-year-olds, the contenders appear to be Lady Clarik, Ben Hempstead and Bart Howe, in the order named. All met in the second event, Monday, when Ben Hempstead finished second, two lengths in front of Lady Clarik, On that occasion, however, Lady Clarik got off absolutely last and had to run around her field. Besides, there will be a difference of eight pounds in her favor to-day, while last Monday she had but three pounds the best of it, as compared to Hempstead.

Hempstead.
Several winning possibilities are in the third race, but Tom Cromwell appears to be the best of the bunch, with Ladas second best and Dieudonne third choice. Honeywood is in at light weight, and after his impressive win of yesterday seems to have a chance, but the three first named look best.

a chance, but the three first named look best.

R. Q. Ban should win the fourth race, his defeat of Horseshoe Tobacco being administered in handy fashion. Lord Neville should get the place, although he showed a disinclination for weight in his last out, which may affect his chances to-day. Ed L. won rather handily his last out, and should be third. Elsie Barnes is a p-assibility in this race, but if the others run to their notches they should beat her out.

The fifth race appears to be between La. Spara and Swordsman, and the best indication of their respective merits lies in their race of August is, when La Spara won, carrying full pounds to Swordsman's lif, the latter finishing third. They are closer together in the weight to-day, but La Sparashowed such good form her last out that she looks best to-day. Swordsman should be second and Eugenia S. third.

The last race is an open proposition, and should result Churchill, Miss Golightly, Dandy Jim.

MUD LARKS AT HAWTHORNE.

Telamon, Backed Off the Boards, an Easy Winner.

Chicago, Aug. 21.—At Hawthorne this afternoon the track was slow, but drying fast. Then rain poured down, and all the races, except the first, were run in mud ankie deep. Telamon, the crack 3-year-old of the Hildreth Stable, won the third race, in which he was fairly backed off the boards. At the finish he had a lead of four lengths. Boney Boy captured the fourth event, a mile handicap, worth \$700.

GOSSIP OF THE QUARTER STRETCH.

GOSSIP OF THE QUARTER STRETCH.

Taby Tosa Won Handlly—Attempt to
Asrest Bookmakers a Flasce.

Taby Tosa's win yesterday justifies the statement made in The Republic two days ago that the colt is of a high order of merit. He was not favored in the betting by the bookmakers yesterday for some reason or other, and Crimean seemed to hold most of the public attention. Yet Taby Tosa is one of the best 2-year-olds shown in this part of the country recently and will do in any company shown here. Hunter Raine ran a good race when he came second to the gray gelding, and the price against his chances seemed very liberal. Place bets on him at the odds offered looked like a cinch.

Probably no attempt to prevent the opera-tion of a race track while races were in progress ever failed so flatly as that made at Delmar yesterday. Attempts of the sort have been made in Chicago time and again by the rival factions, but in nearly every case the attacking perty was defeated, but always managed to cause a good deal of

disturbance and annoyance before they got through.

Yesterday's affair furnished a subject of interest for the patrons of the course, and the novelty of the thing seemed to be a matter of enjoyment to most of those present. Great interest was taken in the action of the Sheriff's deputies in preventing the entrance of the Constables, and Sheriff Hencken was surrounded by a large crowd when he entered the betting ring to place the bookmakers under arrest.

Action will be taken in the matter by the Delmar Park officials, according to announcements made by the management and legal recourse will be sought for the annoyance caused.

Dale's win on Barrica in the last race yesterday emphasized the difference there is between certain riders now at Delmar and a rider who thoroughly understands his businesse. Had Dale been on Benham there is no doubt that the old gelding would have won the race, as he came down the stretch like a shot. Exactly what Sneil's idea was in taking Benham back at the end of the first half, when all the others were moving up, or in allowing his mount to do it voluntarily, is a matter difficult of explanation. Benham was the best in the race, and had he been kept close to the front would have won without doubt.

ARICOCEL

Its Causes, Effects and Cure.

Varicocele is a weakened and broken-down condition of the spermatic veins and sexual circulation, due in the great majority of cases to sexual indiscretions—early abuse and later excesses. It makes no difference what the cause, be it strain, injury or abuse, once the disease is developed, it is of the utmost importance that it be cured without delay, for it will never cure itself, but on the contrary is ever becoming more aggravated, and in time will break down the strongest constitution and fill your whole future with gloom, unhappiness and despair. That Varicocele is one of the most serious and treacherous diseases afflicting mankind has been proven beyond all doubt. If neglected it will undermine the physical strength, derange and depress the mental faculties, rack the nervous system and ultimately produce a complete loss of sexual power. The sufferer realizes that some unseen hand is dragging him down, that there is a constant drain on his vitality, and he knows in his own mind that he is but half the man he was before this disease stole upon him. He broads over his troubles in stlence, loses confidence in himself, becomes morose, stritable and despondent, and it is little wonder that many men become insane from the severe mental strain or commit suicide to escape an existence which promises nothing but suffering, njisery and woe.

We Gure Varicocele in 5 Days.

We have perfected a method of treatment for Varicoccle that is a safe, painless and permanent core; it has been used in thousands of the most aggravated cases without a single failure or recurrence. Under our treatment every trace of weakness and disease quickly disappears, the stagnant blood is driven from the weakened veins, soreness and swelling vanish, all drains of vigor cease, the weakened seminal ducts are strengthened, a healthy circulation of pure blood is established, the wasted organs are enlarged, you become stronger in every way and soon will regain that confidence, power and sense of well being which accompanies good health and robust manhood. Our treatment has stood the severest tests. We have prepared a multitude of men for the duties and pleasures of married life. Avoid experiments, The sexual organs are the very mainspring of the body and mind. We have seen many men ruined through incompetent, antiquated treatment. We guarantee our cures. We are thoroughly familiar with every treatment in vogue for the cure of Varicoccle, and know from actual experience that we can give you the very quickest, tagest and most reliable cure known to medical science. Your health and manhood are slipping away; you cannot afford to delay. Cail and be examined free.

AND CAPE BLOOD POISON IN 50 TO 50 DAYS, SEXUAL DEBILITY IN 30 TO 30 DAYS, and all Vital Weaknesses and Diseases of Men. The fact that we are doing the largest practice in St. Louis and that it is ever increasing is the most convincing evidence we can offer to prove that we are honorable in our dealings, and skilled and successful in the practice of our speciality.

KINLOCH CARD FOR THURSDAY.

Dan Paxton, W. B. Gates and Hyle Look Like Horses With Chances.

The first race at Kinloch to-day is liable to puzzie people. There are so many new starters, and those of known form are not so good as to warrant any one in the belief that they will beat these whose form is a guess. However, it is not worth while looking them all up, as the track is liable to worry any of them. Eucla has a couple of taces on the track to help her, and she would go well to-day, though 10 is an awful bunch on a little pony. Prectorious has shown good speed heretofore and may stick the route.

in First Innings.

Chicago, Ill., Aug. 21.—Two matches were played in the cricket tournament to-day, the winning teams being Chicago and Manitoba, which will meet Friday in the match which will decide the championship of the Northwestern Cricket Association.

Chicago won from Minnessta by 87 runs in the first inning, and Manitoba defeated St. Louis by 84, also in the first inning. Two heavy showers interrupted the morning play, making the already slow wicket slower and handicapping the bowlers.

WIDOW AND CHILDREN LIVING IN THE STREET

Mrs. Margaret Kruger, Gently Raised, Evicted From Her Home at Edwardsville.

Mrs. Margaret Kruger, a widow, and her

four children, have lived several days on one of the public streets in the west part of Edwardsville, unsheltered from the weather, beside their household goods. weather, beside their household goods.

Mrs. Kruger claims to have come from one of the best families in St. Clair County, and says Judge Alonzo Wilderman, the noted jurist, is her uncle. She married Fritchie Kruger and they moved to Madison County. They had a country place in Fort Russell Township and all was happiness for a time. Then reverses came. They struggled against them, but without avail, and last winter Mr. Kruger died.

Since then the family has been in distressing circumstances, and compelled to accept public charity. This week the owner of the house in which they were living had them evicted, although they claim the rent had been paid. The Supervisor of Fort Russell Township, who had been furnishing them ald, was absent on a trip to New York and could not be appealed to. They could not ask admission to the County Farm for that reason, nor crave assistance from the Supervisor of Edwardsville Township. All they could do was to remain in the public street beside their few goods. They slept there Tuesday night, and yesterday were found at dinner under a shade tree at the edge of the sidewalk. Mrs. Kruger claims to have come from

be given next Sunday and Monday at Coordia Park by the St. Louis Schwabes It terstuetisungs Verein, and all the St. Losons of that Province, with their familiare expected to attend. Many promine Suablans have the festival in hand a promise to make it a success.
